

STATE OF THE ART SHREDDING

AL1 - ALUMINIUM SHREDDER

Safe and easy operation with "SPS"

Side panels with individual design (at an extra cost)

Award-winning design, innovative technology and ultimate quality – this elegant desktop shredder is first choice for the demanding user.

Desktop document shredder in ageless design with elegant aluminium shell. Coloured side panels made from high-quality synthetic material. Photo cell controlled automatic start and stop. Convenient 240 mm feed opening. High-quality, paper clip proof cutting shafts from special hardened steel with 5 years guarantee. Quiet, powerful 580 Watt single phase motor. High volume for the shreds (25 litres).

"SPS" – Safety Protection System: Electronically controlled, transparent safety flap in the feed opening as additional safety element. EASY_SWITCH – intelligent control element indicating the operational status of the shredder with varying colour codes and back-lit symbols. Automatic reverse and power cut-off in case of a paper jam. Sensory fill level indication with automatic stop if the shred bag is full. Electronic door protection via a magnetic switch. Double motor protection. Environmentally-friendly energy-saving mode.

Desktop shredder | 2 x 15 mm cross cut | security level: 4 | shred capacity: 11-13 sheets (A4 paper, 70 g/m²)

Colours: dark grey, black, white, red, green | Dimensions H x W x D: 60 x 41 x 24 cm | Weight: 21 kg
