

# 5030B

**This bin compactor is designed to fit a wheeled bin. The bin is wheeled into place and the crushing plate compacts the waste within, without having to remove it from the container.**

## Benefits

- Savings on your waste collection
- Tidy premises
- Space and time saving

## Features

- The “bag compactor”
- Bag protected during compaction process
- The flexible compactor

# 5030B
