

V-Press 1160

With a maximum bale weight of 550kg, strong pressing power and an absolutely high efficiency level, the V-Press 1160 is the top model of the V-Press series.

Benefits

- Savings on your waste collection
- Tidy premises
- Space and time saving

Features

- High capacity press chamber means optimum filling efficiency
- Low-maintenance, sturdy hydraulics and hard-chromed pistons ensure long service life
- Highly compressed bales which can already be marketed without requiring any further pressing
- Sliding door with hand wheel door lock
- Conforms to EN16500

V-Press 1160

Technical Data

Press Force	55 ton
Cycle Time	25 secs
Driving Power	4 kW
Machine Weight	2426kg
Voltage	400V, 50Hz

Dimensions

Width	1780mm
Depth	1568mm
Height	2990mm
Transport Height	2136mm

Loading Aperture

Width	1195mm
Height	650mm

Bale Size*

Width	1195mm
Depth	1100mm
Height	1200mm

Bale Weight

Cardboard	550kg
------------------	-------

* The bale weight varies depending on type, humidity and condition of the compressed material together with bale length or height.
