

V-Press 860 Plus

With a pressing power of 55 ton and employing low-noise and energy-saving technology, the V-Press 860 Plus is the most economical and ecological solution for your waste disposal.

Benefits

- Savings on your waste collection
- Tidy premises
- Space and time saving

Features

- Special retaining claws optimize the compression of the pressing material and reduce the number of loading actions
- Comfortable, easy-to-use membrane keypad with text display which show the current status of the machine
- Sliding door with hand wheel door lock
- Conforms to EN16500

V-Press 860 Plus

Technical Data

Press Force	55 ton
Cycle Time	25 secs
Driving Power	4 kW
Machine Weight	2008kg
Voltage	400V, 50Hz

Dimensions

Width	1797mm
Depth	1247mm
Height	2985mm
Transport Height	2132mm

Loading Aperture

Width	1195mm
Height	650mm

Bale Size*

Width	1195mm
Depth	780mm
Height	1200mm

Bale Weight

Cardboard	480kg
------------------	-------

* The bale weight varies depending on type, humidity and condition of the compressed material together with bale length or height.
